

KIMONO

*"I am a reflection, photographing other
reflections, within a reflection. To photo-
graph reality is to photograph nothing."*

- Duane Michals

*What am I doing here and where is my
kimono?*

the missing Kimono

- 'What am I doing here and where is my kimono?' she said and searched everywhere for her kimono until she found it. Oh no she screamed, it is not true, she said. 'I will have to harakiri myself' she wept. it is sooo not woke. A Belgian girl in my kimono: it is cultural appropriation! :o

*Ceci n'est pas de l'appropriation culturelle **
